

Breeze Modular Atmosphere and Environment

Breeze Modular 44

Atmosphere and environment.

The 44mm suite ensures a crisp and streamlined finish providing space saving opportunities. With its range of design options, the Demountable System provides the designer with the option of creating a variety of outcomes, whilst maintaining a clean streamlined appearance. Each module can be connected together with a variety of configurations, each providing their own distinct appearance and adding to the corporate image of the suite.

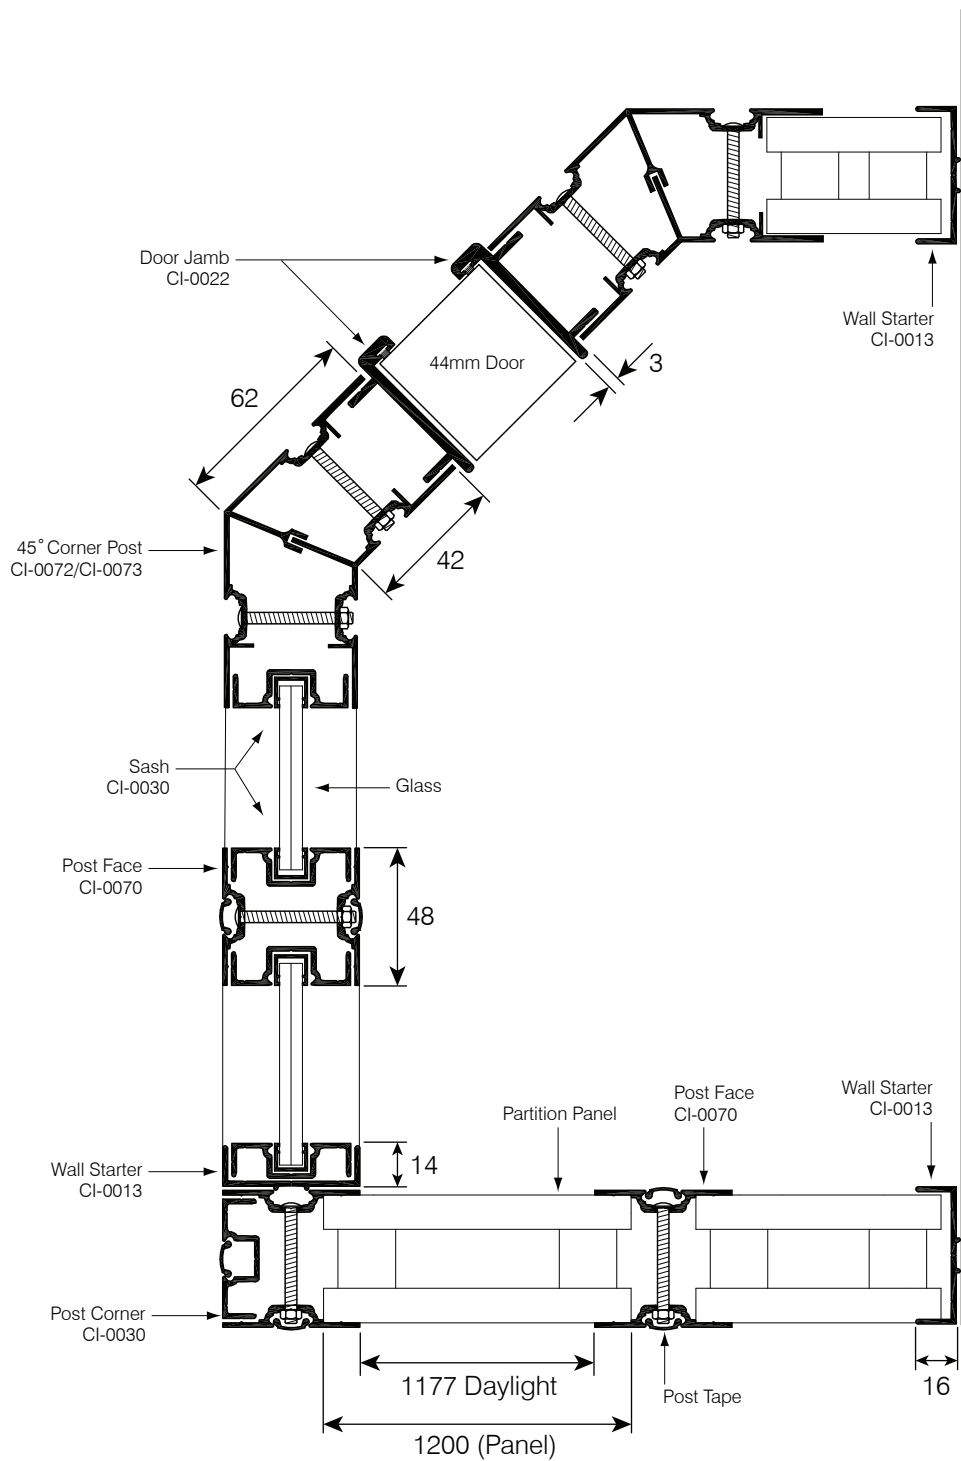

Features of the Breeze Modular 44

- Prefabricated modular system
- Reusable and relocatable
- Minimise trades on site
- Tax write off advantages (refer to your accountant for more information)
- Streamlined 44mm walls
- Ease of installation
- Functional and adaptable
- Space savings through minimum wall thickness
